1.0 GENERAL INFORMATION

Purpose

This Request for Proposals (RFP) is issued by The St Andrew United Methodist Church of Panama City (SAUMC) for the purpose of entering into a contract with a qualified firm for

FEMA disaster consulting services / project management (PM); in full compliance with regulatory agency requirements and consistent with Federal Emergency Management Agency (FEMA) and the Florida Governor's Office of Homeland Security and Emergency Management requirements for cost reimbursement for FEMA Disaster/Project Management/Owners Representative Services.

Services shall be performed on an "as needed" basis for the rebuilding of campus and remote facilities as a result of Hurricane Michael and other concurrent build and design needs.

Background

Given the geographical location of SAUMC in Panama City, Florida, SAUMC's mission was, and could be again, adversely impacted due to a variety of natural or man-made events. SAUMC has identified the need for support in the area of these services as part of the SAUMC overall Disaster Response Plan, Master Facilities Plan, SAUMC Strategic Plan, and 2019-2020 Rebuilding Plans, changes, and additions as a result of Hurricane Michael of October 10, 2018. Please see www.sa-umc.com for additional SAUMC background information.

2.0 Scope of Services

SAUMC requires professional disaster recovery project management services as related to damage to the campus and facilities due to Hurricane Michael by a qualified PM. The scope will be to access and assess all buildings on campus and to assist in listing damages per FEMA requirements, preparing FEMA project plans for the campus facilities, FEMA project management, reimbursement processes, and project closeout - as well as assisting with FEMA characterized mitigation proposals for the campus against future storm conditions and events.

Services will also need to consider potential storm mitigation upgrades like dry and wet flood proofing designs with the addition of flood walls or flood gates.

In order to accomplish a proper recovery, SAUMC intends to hire a FEMA PA consultant to assist in the management of the FEMA (and other related efforts as is intermingled and as is necessary) funded projects. The selected firm more specifically will assist, service, and oversee as is needed:

Site identification and eligibility

Damage assessments

Development of damage descriptions

Development of scope of work and cost estimates

Insurance reconciliation

Cost reconciliation of completed work

Project Worksheet (PW) formulation and review

Procurement

Design and construction management

Grant administration

Request for Reimbursements
Project closeout

Grant Management

The PM will assist SAUMC in connection with its Request for - and Management of – FEMA (and other) Public Assistance. The PM will assist with project worksheet development/review, damage assessment, scope alignment, reimbursement requests, closeout, general grant management, dispute resolution, and appeals (if necessary). Firms responding must have experience working with Public Assistance grant management. PM must be able to track, report, and invoice time in accordance with FEMA approved tasks for sub-grantees: . Either party, with or without cause, may terminate the contract by providing 30 days written notice to the other party. Termination may be for convenience.

Project Management

Should additional public or other assistance funding be obtained by SAUMC for permanent repair/replacement of facilities or damaged contents, the PM may provide Public Assistance grant oversight of the projects. The PM is to maintain budget oversight and coordinate with FEMA/State of Florida and may attend meetings on behalf of SAUMC as their authorized representative as needed. PM invoicing shall meet all the requirements of public assistance grant regulations.

3.0 Project Manager Requirements

Firms responding to this RFP must have experience with managing recovery efforts for other non-profit PA applicants of similar size and scope as SAUMC. Firms responding to this RFP must have direct and relevant experience in performing all responsibilities listed in the Scope of Work section of this RFP. Firms responding to this RFP must have a minimum of 5 years' experience obtaining funding for and managing projects designed and constructed under government funded relief or grant programs.

4.0 Selection Criteria and Evaluation Method

Selection Criteria:

SAUMC will use the following criteria and proposal evaluation method to rank the firms that submit qualifications for selection as the PM for these projects.

The criteria that will be evaluated are as follows:

1. Recent experience working with FEMA and Florida's Governor's Office post event recovery projects using public assistance funding.
2. Recent project management/grant management experience assisting PA applicants with disaster recovery involving Public Assistance grant funding.
3. Experience with managing recent projects of similar scope and value.
4. Ability to perform all responsibilities in the Scope of Work section in this RFP.
5. Experience assisting private/nonprofits with disaster recovery projects.
6. Cost for project management services.
7. Small, disadvantaged, Woman-Owned or Minority Business enterprises.
8. Respondent shall be able to provide an example "Master Service Agreement" for work to be accomplished in compliance with all FEMA, Homeland Security, Federal and State requirements. Responsibility of any flow down clauses to subcontractors and other PM providers shall be the responsibility of the PM with SAUMC oversight.

Evaluation Method:

The Board of Trustees Committee shall undertake the evaluation of submissions and proposal ranking. Negotiation will begin with the highest ranked firm and proceed through ranking of determined qualified providers as the committee decides. The committee shall have the right to abandon the RFP and re-issue a call for proposals as they determine is required.
